

PDPP™

**Professional Diploma
in
Public Procurement**

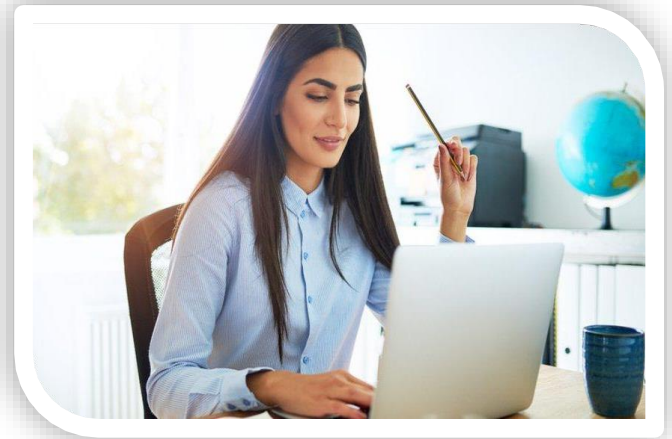

Developed in partnership with the World Bank.

About PDPP™

PDPP™ (Professional Diploma in Public Procurement) certification program provides learners with a comprehensive knowledge of policies, Procedures & processes of public procurement.

This aims at professionalizing the public procurement activities. This program is based on content of earlier certification developed by The World Bank.

However to cater the needs of digital era, course content has been revised. This will facilitate the transformation of public procurement from tactical to strategic level and promote Digital India initiatives.

What You Will Learn:

Participants will gain a comprehensive understanding of procurement rules, guidelines and the public procurement regulatory regime.

On completion of this certification program, participants will learn how to complete a tender process including how to:

- ✚ Prepare Specification of Goods & Services.
- ✚ Prepare Tender Documents for Goods, Services & Civil Works.

- + Prepare Contract Notice.
- + Establish Award Criteria and Guidelines to Evaluate Tenders.
- + Preparing Score Mechanism and Justify Contract Award Recommendation.
- + Manage Supplier Performance.
- + Digitalization of Procurement Processes.
- + Transformation from Tactical To Strategic Procurement.

PDPP™ Curriculum:

- + Introduction to Procurement and Public Procurement
