Master the World Bank Procurement Framework
(Updated Version 2025) - With Technical Support from
The World Bank

PPPAI's Stakeholders:

Overview

PPPAI and ISM-INDIA, in with technical support from THE WORLD BANK, present the **12th edition of a comprehensive 10-day intensive online training program** on the **Procurement Framework for World Bank-Aided Projects**. This latest edition features the most recent **September 2025 updates**, reflecting the World Bank's commitment to modernizing procurement practices globally. The training provides **cutting-edge knowledge on contemporary procurement methodologies that drive development effectiveness**, with a focus on achieving **value for money through integrity, transparency, and quality-based evaluation**.

2025 Framework Updates - What's New

- **March 2025:** 50% quality weighting, Early Market Engagement for >\$10M contracts, Enhanced complaint handling
- **July 2025:** 30% local labour cost requirement, Innovation & sustainability criteria, AI in procurement
- **Previous (2023-2024):** ESG clauses, anti-corruption alignment, Enhanced fraud detection (STEP), Forced labour mitigation

Framework Foundation - Five Strategic Pillars

- ❖ **Enhancing Efficiency:** Manages \$4-5 billion annually in procurement across 70+ countries
- ❖ **Modernizing Procurement:** 50% minimum quality weighting mandate (March 2025 update)
- ❖ **Strengthening National Systems:** Long-term capacity building and sustainability alignment
- ❖ **Enhancing Transparency:** ICT-driven integrated sustainability reporting (July 2025 update)
- ❖ **Inspiring Excellence:** Global standards and professional competency building

Strong Stakeholder Ecosystem

- ❖ Endorsed by The World Bank, UN organizations, ADB, AIIB
- ❖ Recognized by Government of India and state governments
- ❖ Alumni include L&T, Tata Projects, Reliance, KPMG, EY, Infosys
- ❖ Affiliation with ISM World (USA), leading Supply Chain institutions

Modules/ Topics to be Covered

Day 1: Foundation & Policy

- ❖ Introduction to World Bank, Project Documents, Financial Instruments
- ❖ Procurement Policy & Regulations (Sections I, II, III, V)
 - NEW: Application of Rated Criteria and Evaluation of Proposals for Goods, Works, and Non-Consulting Services (including innovation, sustainability, local jobs)
 - NEW: Minimum 50% quality weighting mandate for international competitive procurement

Day 2: Strategy & Planning

- Procurement Policy & Regulations (continued)
- Project Procurement Strategy for Development (PPSD) & Procurement Plans
 - NEW: Early Market Engagement requirements (mandatory for contracts >\$10M)
 - NEW: Contract aggregation strategies
 - NEW: Local labor participation requirements (30% for civil works—policy background and rationale)

Day 3: Procurement Methods

- Procurement Methods for Goods, Works, and Non-Consulting Services
 - NEW: Life-cycle costing methodology
 - NEW: 30% local labor cost requirement for civil works
- Small Works Procurement – Standard Procurement Documents (SPD) features

Day 4: Works Procurement

- Small Works and Design-Build Works (practicalities and key SPD elements)
- Procurement of Goods (application, updated SPD)

Day 5: Contract Management & KPIs

- Contract Management Considerations
 - UPDATED: Enhanced ESG & social safeguard clauses (August 2023)
 - NEW: Key Performance Indicators (KPIs) and performance monitoring

Day 6: Consulting Services

- Procurement of Consulting Services
 - NEW: SPD, Selection Methods, and Market Approaches
 - NEW: Direct payment options for large contracts (> \$10M or as per policy)
- EOI (Expression of Interest) & RFP (Request for Proposal) Development
 - NEW: Innovation & sustainability criteria inclusion (July 2025)

Day 7: Legal & Selection

- Consultant Selection Evaluation (methods and best practices with examples)
- Legal Aspects of Procurement
 - UPDATED: Anti-corruption alignment (March 2024)

Day 8: Fraud Prevention

- Fraud & Corruption Prevention
 - UPDATED: Revised complaint review mechanism (March 2024)
 - NEW: Enhanced centralized complaint handling (policy and process)
- Abnormally Low Bids & Value Engineering

Day 9: STEP and Digital & Sustainable Procurement

- STEP (Systematic Tracking of Exchanges in Procurement)
 - UPDATED: Enhanced STEP monitoring features
 - Usage for complaint handling, tracking, analytics, and transparency
- Cross-Border Procurement (INCOTERMS, Letters of Credit, Insurance)
- E-Procurement Experiences
 - NEW: Integrated sustainability reporting (July 2025), AI in procurement, innovation, and transparency
- Sustainable Procurement
 - UPDATED: Linked to World Bank Environmental and Social Framework (ESF)
- Interactive Knowledge Recap & Closing
 - Knowledge game, experience sharing, and participant feedback

Day 10: PPP & Wrap-up

- Public-Private Partnerships
 - NEW: Focus on local development benefits (July 2025 updates)
- Interactive Knowledge Recap & Closing

The World Bank Procurement Framework Training Program (6–17 October 2025) was an enriching experience that provided deep insights into modern procurement principles, value-for-money approaches, and sustainable development practices. The sessions were expertly structured, blending theory with real-world applications.

★★★★★ 3 weeks ago **NEW**

The 10 business days training conducted by Institute for Supply Management India (ISM - India) on The World Bank Procurement Framework (latest version) is really educative to me as a procurement practitioner who has no experience on The World Bank Procurement Framework, and it is a capacity building that had enhanced my knowledge generally in procurement processes and specifically in The World Bank Procurement and Contract management Regulations.

First of all thank you from ISM-india and WB to pave the way a great opportunities to learn role and regulation of procurement to remain a successful in today's modern business environment. Within ten days we received comprehensive materials which are relevant with our to days duties and activities , all instructors explain analytical subjects respond our question timely and session conducted and managed on time. Through this training now we are ensuring how to manage resources , supplier communication, contract management and over all stage of procurement as well as consideration of policy WB for those projects which funded by WB.
Thank you for your support and cooperation
