INNOVATIVE PROCUREMENT & SUPPLY CHAIN

(Digital Transformation & Sustainability)

Inspiring Excellence in Supply Management

ABOUT ISM-INDIA

- **Institute for Supply Management (ISM-INDIA)** is an affiliate of ISM-World (USA), which was setup in 1915 and has chapters in 73 countries.
- **Aims** at providing opportunities for promotion and professional development of Procurement & SCM profession and expansion of **professional skills and knowledge**.
- Agreement with **ITC, Geneva (A UN Organization)** to provide best in class certification in the field of Supply Chain Management (SCM).
- Our **Mission is to lead Procurement & Supply Chain** for value creation.
- Headquarter in Gurgaon (Delhi-NCR) with **Chapters and Test Centres** in all major cities of India.
- ISM-INDIA plays a pivotal role as a key stakeholder of PPPAI, collaborating closely to advance the goal of enhancing professionalism in public procurement. PPPAI was launched on 24 September 2020 in cooperation with The World Bank, ADB, NDB, AIIB, ITC Geneva.

Overview:

In 2024, our Conference Theme will focus on **“Innovative Procurement & Supply Chain (Digital Transformation & Sustainability)”** reflecting the critical need to integrate cutting-edge digital solutions including AI with sustainable practices. As global challenges like climate change, resource scarcity, and social responsibility continue to evolve, it's imperative for organizations to adapt and thrive in this new landscape.

Participants will have the chance to hear from industry thought leaders, share best practices, and collaborate on innovative solutions to common challenges. This Agenda has been designed to offer a good balance of interactive discussions, practical insights and networking opportunities.

Conference: Key topics

 Digital Transformation (Including AI)

 Sustainable Sourcing

 Supply Chain Resilience

 Supplier Collaboration in Digital Age

 Case Studies & Best Practices

Why Should You Attend?
